Who does what?

AsIP-ODL Center Călărași will realize the Weblog, Scierter Spain will create the Spanish language lessons and the evaluation questionnaires. Centro di Educazione Permanente Italia will compile the Italian language and computer usage lessons.

What is a Weblog?

A weblog (abbreviated "blog") is a web publication that contains periodical articles. There is a big variety of blogs structured in function of the goal and/or target groups. Blogs are created for offering information, for promoting ideas, concepts or products, for debating interesting subjects, for gathering people with common preoccupations around some themes.

What happened in Partinico ?

Partinico, a beautiful city situated at 30 km from Palermo (Sicily), hosted the second transnational meeting.

Here the first presentation of the weblog was made by the Romanian partner, types of lessons were analyzed in order to be introduced in the Survival Kit package and a visit was paid to the "Ciprian Porumbescu" Association from Palermo and Citta Plurale.
